## **INTRODUCING IMPACT HOMES**

There's no hidden secret behind our success.

We simply listen to our customers and to the opinions that matter most. Learning is an integral part of our business, so we treasure the relationships we build and the feedback they can provide.

Impact Homes has been built on helping our customers succeed. Whatever success means for you, we're invested in making it happen. The support we offer is world-class and we are always looking for new ways to improve the service you receive.

Whether you are a customer embarking on their first investment, or a business partner that we have known for decades, our team members are available to assist you every step of the way.

Impact Homes is an investment focused business, so the future is always on our mind.

As part of the vertically integrated Privium Group, we have easy access to the full supply chain that allows us to craft our beautiful home solutions. That means we can create affordable housing opportunities for more Aussies than ever before.

#### OUR PROMISE

We stand by you. We do what we say we're going to do, when we say we're going to do it.

We take pride in our product and our process and we remain accountable, meeting all of our responsibilities. What this means for you is a hassle-free experience, where your needs are heard and your expectations are met.

Robert Harder CEO

Impact Homes knows that everyone has different tastes in home design and that they want their home to reflect these.

To stand by our "we do it all for you" philosophy we offer multiple home façade designs for you to choose from. We want to ensure that your home embraces your individual taste and personality.

Select from a variety of facades showcasing differences in surface textures, portico designs, roof and window styles. With so many options for you to choose from, you'll be sure to find one that's perfect for you!

THE FLEXIBILITY DOESN'T END THERE

Once you have selected the façade that best reflects you, our drafting team will apply your choice to the floor plan that best suits your block of land.

The combinations are endless, offering you stress free customisation that reflects what you really want in your home.
